OBJECTIVE

Enthusiastic final-year Computer Engineering student with a strong interest in Web Development and MERN Stack Development, seeking opportunities to apply technical skills and gain hands-on experience in building modern, responsive, and user-friendly web applications. Passionate about learning new technologies, solving real-world problems, and contributing to innovative projects in a dynamic team environment. Skilled in HTML, CSS, JavaScript, PHP, MongoDB, Express.js, React.js, and Node.js, with a focus on performance optimization, clean coding practices, and scalable application development.

EDUCATION

Bachelor of Computer Engineering

2024-2027

Savitri Bai Phule Pune University

Diploma in Computer Engineering

2021-2024

Government Polytechnic Yavatmal

SKILLS

Technical Skills

Web Development, MERN Stack Development, Operating System, OOPs, Data Structures

Languages:

HTML, CSS, JavaScript, PHP, SQL, Java, C++, MongoDB, Express.js, React.js, Node.js

EXPERIENCE

Web Developer Internship (01 Jun 23 – 17 Jul 23)

Symphonix IT Services LLP

Successfully completed an internship at Symphonix IT Services LLP in Yavatmal, gaining hands-on experience with HTML, CSS, JavaScript, and PHP.

IoT Internship (01 Jun 23 – 17 Jul 23)

Symphonix IT Services LLP

Completed an internship at Symphonix IT Services LLP, Yavatmal, developing strong skills in the Internet of Things (IoT).

PROJECTS

FOOD DELIVERY SYSTEM:

I developed a food delivery website using HTML, CSS, JavaScript, and PHP, allowing users to browse restaurants, order food, track deliveries, and make secure payments with a user-friendly design.

STUDENT MANAGEMENT SYSTEM:

I developed a student management system dashboard for admins using HTML, CSS, JavaScript, and PHP, enabling efficient student record management, performance monitoring, and secure access with a user-friendly interface.

AMAZON CLONE:

Developed an Amazon clone using HTML and CSS, replicating the website's layout, design, and responsiveness. Gained hands-on experience in front-end development, improving skills in web structuring, styling, and user interface design.

EXTRA-CURRICULAR ACTIVITIES

- Student Coordinator for the Magazine Chapter at JSPM's Rajarshi Shahu College of Engineering, managing content and contributing to the magazine's creative and strategic development. Collaborate with a team to ensure high-quality publication.
- Currently serving as the PR and Media Head of the IEEE Student Chapter, managing promotions, social media, and event publicity. Responsible for increasing student engagement and supporting technical activities within the college community.

LEADERSHIP

Currently serving as the PR and Media Head of the IEEE Student Chapter, managing promotions, social media, and event publicity. Skilled in communication, teamwork, and student engagement through organizing and supporting technical events.
